PRESS RELEASE – Kaymar 4x4 Accessories

Land Cruiser 100 (IFS/LIVE AXLE) Upgraded Rear Step Towbar

Land Cruiser 100 series owners can now purchase an improved version rear step tow bar, benefiting from advanced manufacturing processes and smart design innovations.

The new 100 bar is fitted standard with LED signal lights which are vibration resistant and dust/weather proof, gas strut assisted opening for carrier arms and slip resistant rubber coated locking handles.

Land Cruiser 100 owners fitting the Kaymar replacement rear step towbar will enjoy a greater departure angle for enhanced off-road driving, tougher rear end vehicle protection and have the base platform for building a comprehensive accessory carrier system for a combination of spare wheels, jerry cans, telescopic work light, UHF/HF aerial mounts, HiLift jack and more.

Manufactured from 5mm solid steel plate and finished with zinc coating and a durable powder coated finish this is an accessory investment to enhance the Land Cruiser 100 and last the life of the vehicle.

K3435 IFS LC100 Rear Step Towbar \$2333.00 inc. GST

K3415 LIVE AXLE LC100 Rear Step Towbar \$2204.00 inc. GST

A complete list of add-on carrier pivots and arms and accessory mounts is viewable on the Kaymar website.
